Ralph S. Hamilton, left, clerk of the Charlevoix Road Commission presents to U'Harley Russell a plaque in recognition of his long service to the Road Commission Clerk's Association. He was also presented with a pen. The plaque was presented at the Holland Hotel in East Tawas on September 8th at a meeting of the association and reads as follows: "The Northern Michigan Road Commission Clerks and Secretary's Association presents this testimonial of appreciation to U'Harley Russell in recognition of

his work in founding the Northern Michigan Road Commission Clerks and Secretary's Association. It was through his generous and unremitting efforts that on March 29, 1955, he called together a few brave souls to establish an association of Road Commission Clerks and Secretaries of the 33 northern Michigan counties. So on this occasion, we tender our sincere gratitude and heartfelt thanks for a job well done." The testimonial was signed by Francis Murray, president, and Eugene A. Prevost, secretary.

BITS O' TALK

Mrs. R. O. Milnes, Mrs. Thomas Haugh and Mrs. Walter Truettner were in Detroit on the weekend to take in "Show Boat" at the Fisher Theater.

Mr. and Mrs. Charles Park enjoyed the company of their son Fred and wife and five sons of Traverse City on Sunday.

Winners of the door prizes in the Buick showing last weekend were Dan Canfield, first prize of portable transistor radio, Harry Vanhook, second prize of a teflon-lined frying pan, Clayton Hildebrandt third prize of an electric alarm clock, and Richard Freeman of Route 1, Higgins Lake, fourth prize of an auto first aid kit.

For washer, dryer and refrigeration service call C & E Service, 348-6417.

Mr. and Mrs. Joseph Biela of Armada spent Friday to Tuesday at their place at Bear Lake for some hunting and work on the cabin.

New paving was completed by the city last week in front of the Grayling Agency and the Harold Jarmin home on Michigan Avenue.

Mr. and Mrs. Wilfred Ziegler entertained their son Ron and family of Royal Oak over the weekend, and he accompanied them to spend a couple of days settling up their property there.

Mr. and Mrs. Pat Cox of Alma spent the weekend visiting his mother, Mrs. Grover Cox.

Miss Elaine Millikin is among the students attending Michigan State University, East Lansing. Her brother Edwin's address, overseas, is Pfc. J. C. Edwin Millikin, US 55893968, Co. A, 2nd Bn, 35 Inf., 3rd Bde, 25 Inf Div., APO San Francisco, Cal. 96355.

Bill Larush attended an A. A. meeting in Jackson weekend before last.

Recent visitors at the Wesley Kumpula home were the Rev. and Mrs. Harris Jespersen of Circle Pines, Minn. and Mr. and Mrs. George Bastian of Muskegon. The Kumpulas were in Traverse City on business last Thursday.

The members of the Wednesday Bridge Club and their husbands met for a planned potluck at the Richard DuBois home on September 28th. The next regular meeting of the club will be on October 12, with Mrs. Leonard Allison as hostess.

Cheer Leader Notes

The cheer leaders are going to work early this year. First of all we are making lunches for football and basketball games. Last year we did it just for basketball.

The end of October both J. V. and Varsity cheer leaders are going to Northwood Institute to the Cheer Leading Day.

This year the Junior Varsity cheer leaders are Monica Stephan, Roxie Fisher, Joy Rasmussen, Carleen Church, and Sue Bourrie.

The Varsity includes: Nancy Knibbs, Sandy Millikin, Karen Wedge, Kathy Bourrie and Terry Frinkle.

Last year as you might have seen both J. V.'s and Varsity worked for and got new basketball uniforms. This year we are working for new football uniforms.

We really hope we see the Grayling people out to those football and basketball games, cheering our Vikings on. Also you can buy a pen with the football schedule on it from any one of the cheer leaders.

Notes From The Horse's Mouth

The monthly meeting of the Au-Sable River Saddle Club was held at Pat Hunter's with 14 members present.

The first order of business was that of obtaining a qualified veterinarian and farrier to speak at some future meeting. Jan Olson and Clara Stephan were appointed to make arrangements.

Also discussed was the possibility of finding a place close to town for riders coming through on the horse trail to rest and camp overnight. Anyone having property they are willing to let be used for this purpose is asked to contact Jan Olson.

It was decided to contact the Michigan Western Riding Club and Northwestern Michigan Trail Riders to establish a state-wide affiliation.

A bake sale was planned for Oct. 8 at the Olson Shoe store for a fund raising campaign. Donations will be cheerfully accepted. All items should be at the store by 9:30 a. m.

The next meeting will be held Oct. 25 at 7:00 p. m. at the Dick Johnson home in Beaver Creek.

Remember you don't have to own a horse to join. Just be interested! So come on all you horse lovers and join in.

Kristine Gildner, club secy.

PIANO RECITAL HELD

September 24th was a red letter day for the piano students of Mrs. Jerry McEvers when they presented their recital entitled "Music is for You" at the McEvers home in the presence of their families.

Each student played 2 numbers, one a piece of sheet music and the other an original composition which he had composed. The program of sheet music was: Ta-Ra-Ra-Boom-de-ay, Bernie Larson; The Elf and the Fairy, Pam Zimmerman; The Glow-worm, Kurt Larson; Whispering Hope, Lynette Niederer; The F.B.I. March, Fred Niederer; The Clock Store, Ralph Larson; The American Patrol, Debbie Miller.

Two awards were given. The one in achievement went to Debbie Miller. The original composition award was won by Fred Niederer with his song "Repeated Symphony."

The afternoon was concluded with a social time.

Golden Weddings Loom In County

NEW YORK—On the basis of recent actuarial studies, one out of every three young couples in Crawford County who are being married this year will live to celebrate their golden wedding anniversary.

Those are the quoted odds, as of the moment. They will undoubtedly get even better than that as time goes on, according to the insurance statisticians. They point to the progress made by medical science, year by year, in extending the life span.

What brings the matter to the fore, just now, is former President and Mrs. Dwight D. Eisenhower, who have just completed 50 years of married life.

Sharing that connubial accomplishment with them this year are some 160,000 other couples who

were also married in 1916. At that time, the chances were only 1 in 6 that a man aged 25 and a girl of 19 would both be alive 50 years later. Their mere survival, however, was not enough to guarantee a golden wedding anniversary. Divorce or annulment had also to be avoided along the way.

In Crawford County, the chances of reaching the 50-year landmark appear better than in many parts of the country because, for the great majority of local residents, marriage shapes up as a once-in-a-lifetime undertaking.

The latest government tabulation lists 1,120 married couples in the local area, equal to 68.4 per cent of the population above age 14. This includes 68.2 per cent of the men and 68.5 per cent of the

Crawford County Avalanche Thursday, October 6, 1966

women over 14. It is a comparatively high proportion. Elsewhere in the United States, the average is 67.5 per cent.

The odds in favor of a couple's celebrating their golden anniversary are now twice as good as they were when the Eisenhowers took their vows.

It is because people are living longer than they did at that time and not because the divorce rate has gone down, for it hasn't.

Far better, of course, is the likelihood of a silver anniversary for today's newlyweds. Even if a man doesn't marry until he is 34 and his bride is within two years of that age, the chances are 7 out of 10, the study shows. They are better than 8 out of 10 for couples who are in their early 20's.

Ladies National League Hold Annual Convention Here Sept. 14-15

The Ladies National League, Auxiliary to the National League of Veterans and Sons, convened in the Chief Shoppenagons Motor Hotel for their two-day annual convention, Sept. 14th and 15th. It was the 65th convention. Delegates attended from Pontiac, Detroit, Flint, Bay City and Grayling.

Registration of delegates in the lobby of the hotel on Wednesday evening started the convention.

The Credentials Committee was Gladys Engquist, Doris Palmer and Adeline Cooksey.

The national audit was held in the National President's room with auditors Mary Brown and Oleta Vandruska of Pontiac and Bonnie Wakeley of Grayling.

Wednesday morning at 9, the National Executive Board met in the Viking room.

At 12 noon the past National Presidents met in the dining room for their luncheon and meeting. The newly elected officers for this year will be: President, Flossie Mosher; Sec'y, Treas., Lela Doran.

The first regular session of the convention opened at one o'clock p. m. Wednesday in the Viking room. The National officers were seated by Camp Sheridan No. 7, Bay City. The committee chairmen and all past National Presidents were seated by the hostess Camp Wagner No. 10. Meeting opened with National President Margaret Beasley, Camp Nesbitt No. 11, Pontiac. National musician June Feldhauser sang the pledge of allegiance.

Address of welcome given by Ellanora Mosher, president of hostess Camp. Response was given by Bonnie Wakeley, National secretary and hostess. Roll call of camps and presidents' reports read. The National president named the various committees which reported later. Patriotic Ch. Mae Worth, Camp Alger No. 9.

Detroit gave a very good report of the actions taken for patriotic work during the year. This work is confined mostly to the various veterans and old people's homes. Several members received flag pins. Meeting adjourned at 4 p. m. in preparation of the banquet which was held at 6:30 in the main dining room. Some 40 delegates and guests attended the sumptuous dinner. The tables were beautifully decorated in arrangements of fall flowers and favors. Place cards were at each place.

Following the banquet the annual campfire program was held in the Viking room. Mistress of ceremonies was Helen Hatfield. The program opened by June Feldhauser singing "This Is My Country". Pupils of Mrs. Feldhauser, Kerry Palmer and Mike Hauxwell played guitar duets "Paper Back Writer" and "Red River Valley". Mary Liz MacNamara played two piano solos, "Hungarian Rhapsody" and "Oh You Beautiful Doll". She also sang "My Favorite Things" and "Toyland" accompanied by Mrs. Feldhauser. Deanne Gibson played a guitar solo, "Michael Row the Boat to Shore" and "He's Got the Whole World in His Hands".

Mrs. Richard Lippard and her group of Twilight Twirlers gave numerous selections which were very well done. Finally to end the program Mrs. Feldhauser played and sang "Exodus" followed by a bit of community singing.

Both Mrs. Lippard and Mrs. Feldhauser are to be commended for the efficient manner in which they conducted their selections.

On Thursday at 7 a. m. the Past Presidents Club of the National had their breakfast in the dining room. Each ordered from the menu. A business meeting was held in a round table manner. The meeting was opened by Pres. Margaret Beasley, Camp McKinley No. 4, Flint. Presidents' reports were given and the usual business procedure followed. Election of officers for next year: President, Eureka Stephan, Camp Wagner, No. 10, Grayling; vice-president, Bea Noone, Camp Alger No. 9, Detroit; sec. treas., Bonnie Wakeley, Camp Wagner, No. 10; Chaplain, Harriet Walmesley, Camp Sheridan No. 7, Bay City.

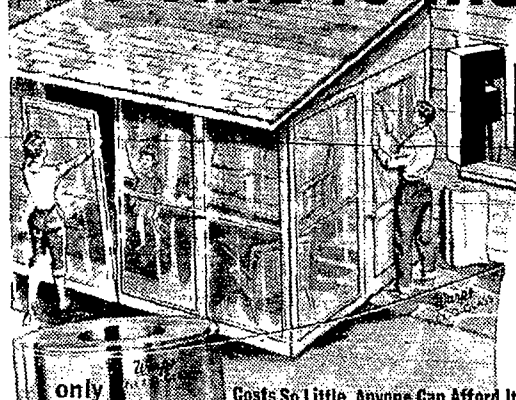

Highlights — Members of Camp Wagner No. 10, hostess camp, take this opportunity to thank Mr. Maurer and all his staff who in any way helped make our convention a success. The entire hostess camp helped in making our 65th convention a nice one. Committees were as follows: Chairmen, Helen Hatfield, Eureka Stephan. Also President Ellanora Mosher who deserves much credit for her share in making it a success. Badges, Emma Knibbs; banquet decorations, Members and past president; program, Helen Hatfield and Ellanora Mosher; banquet tickets and reservations, Bonnie Wakeley. Reception Com., all the members of the camp.

The entire convention decoration theme was fall flowers in various arrangements and the credit for the flowers goes to Rudolph Feldhauser.

We ought to know. We see more tires than anybody. And a lot of them are so called "bargain" tires. We know them well. We find cracks in the sidewalls, separated tread, ruptured casings, and blowouts. And it's because of this experience, and concern for our customers, that we sell the Amoco-120 Super Tire and Atlas Plycron ("The Round Tire"). We're proud of these tires because we know how they've been made—and the tests they've been through. And because we'd like to see quality tires on your car, we're participating in a "Trade-Up-To-Quality" Campaign. We'll make it well worth your while to drive in for a free tire check. And if you need new tires you can get them with no money down and up to a year to pay. Plus a top trade-in. After all, you expect more from Standard, and you get it!

Fires: Wasteful, Avoidable . . .

The most effective way to fight fire is to prevent its starting. This good advice is often heard but too little heeded. The unhappy results of this failure to heed are recorded annually in the fire losses of the United States and Canada.

In the two countries, more than 1,600 homes are destroyed or damaged by fire each day, in many instances with tragic loss of life. Fire strikes nearly 500 industrial and commercial places each day, and in addition to the waste of physical resources, there are incalculable costs in temporary or permanent loss of jobs and frequent business failures.

We have an unfortunate habit of dismissing most fires as "accidents," a sort of visitation of bad luck which somehow was unavoidable. But how unavoidable — or unpredictable — is the fire started by a carelessly discarded cigarette, or overlooked and defective electric wiring, or poorly maintained heating and cooking equipment?

Yet, as shown by National Fire Protection Association studies, these and similar, uncomplicated causes are responsible for the great majority of fires.

We need to acknowledge the fact that fires are not only wasteful but avoidable, then go on to reform the habits and remove the hazards which cause them. Then each of us as an individual has done this, we will no longer risk our lives, jobs and possessions to the destructive forces of fire.

The County Road Commission, as has been stated before, has made application for a contract to take over the maintenance of state trunkline highways within Crawford County. This statement has caused considerable comment and discussion. Frank Sales is the chairman with Arthur Feldhauser and Elmer Corsaut the other two commissioners. James Richardson, a licensed surveyor, is superintendent. According to statements made there are 72 miles of State trunkline highways in the county, while there are 754 miles of county highway. The former employs a crew of 15 men to care for the 72 miles of paved highway, while the county employs but two more men — 17 men, to maintain the 754 miles of county highway. The county highways are not paved but of gravel and dirt roads. These have to be maintained in useful condition, snow has to be removed, and repairs made. Whenever new highways have to be built that is done by the county highway crew. Any engineering to be done has to be done by the superintendent, James Richardson, or who happens to be a licensed surveyor. Within the State highways, it was claimed, new construction work is let out on contracts and is not done by the local state highway crew. As it is now there are duplicate offices and garages, duplicate crews and duplicate equipment. Many of the routes over which these crews travel are duplicated. The county crews have to travel many miles over state highways in order to get to outlying county highways when, if all roads were under control of the County organization, all this useless duplication of travel would be avoided, and much expense eliminated. Should the State Highway Department award a contract to the county to maintain all the roads it would be done only after state engineers were satisfied that the local setup was capable of handling it efficiently. Besides, a part-time approved engineer would have to be provided and work done be duly inspected. The present state garage would be taken over, it is understood, and such equipment as is needed. At

the present time county equipment is fast wearing out and new cannot be purchased while under present war time conditions. In other counties where they have contracts with the state there is enthusiastic approval. Counties are saving a lot of money for the taxpayers. Not only is that true but roads have been efficiently and promptly handled. The present county road commission strikes us as taking their responsibilities seriously, and that the added responsibility that would come to them if a contract is awarded, would be honestly and ably carried out.

Final home football game Saturday. During the last two weeks the locals have shown little improvement, in fact the blocking in the West Branch game was far below the blocking displayed in the opening game with Manistota. This can be attributed to the indifference of squad members to training rules and to attendance at practice sessions. Last Friday Grayling defeated West Branch 20-0. The two teams were evenly matched with Grayling being more successful on passes to score. The West Branch eleven outplayed the Grayling squad during the last half while the locals had the advantage during the first two periods.

Miss Donna Brown is the new waitress at the Grayling Restaurant.

Miss Fern Akers is the new clerk at the Sales Ben Franklin stores, starting Monday.

Friends of Ben Wright will be pleased to hear he has been promoted from the rank of first lieutenant to that of captain.

Mrs. Augusta Wall, Mrs. Wilfred Cohen and two friends of Detroit were here over the weekend to close their cottage at Lake Margrethe for the winter.

Little Linda Lee Bigham of Saginaw spent her first birthday at the home of her grandparents, Mr. and Mrs. Percy Harmer in Fredrick, where they gave a party in her honor.

It is always nice to have your friends surprise you but it is doubt-

ful so when they bring two birthday cakes. So Mrs. Henry Pearson was very happy when the ladies of the Rebekah Lodge and a few other friends dropped in Monday evening to help her celebrate her eightieth birthday anniversary. There were 19 in the party and they spent the evening playing buncos and pinocle.

Dennis Lovely was home from Willow Run the first of the week visiting his family.

Miss Billyann Clippert left on Wednesday for Mason to be the guest of Miss Maurine Ward.

It is reported that the steamship on which Floyd Millikin is serving in the Merchant Marines is missing. He is the son of Mr. and Mrs. Frank Millikin of Beaver Creek.

Pvt. Clifford Parker has arrived in North Africa according to his mother, Mrs. Laura Parker. He is serving with the engineers and is playing trombone in the organization's band.

Word has been received by Mrs. Roger Kneff that her husband is in Memphis, Tenn. and he is now a second class petty officer.

Mrs. Esbern Hanson was hostess to her bridge club Wednesday afternoon at luncheon. Pansies and bebe chrysanthemums in a low flower bowl surrounded by crystal birds made an attractive center for the long luncheon table. Mrs. Robert Hayes and Mrs. A. J. Joseph held the high score for contract. Mrs. Hayes was a guest of the club.

Miss Patricia Roberts of Lansing was a guest of her parents, Mr. and Mrs. Albert Roberts over the weekend.

Fire destroyed the Ben DeLaMater home at about 3 o'clock this morning. It is reported to have started in the woodshed, and it is believed by fire chief Middle LaMotte that it was caused by spontaneous combustion. The flames spread so rapidly that Mrs. DeLaMater had to climb out of an upstairs window and hold onto a ledge from where she was rescued. She re-entered the burning building fearing that her children were still in it. She was overcome by

smoke and is now in Mercy Hospital from the effects and from shock. The building and entire contents were destroyed.

Mr. and Mrs. Glenn F. Penrod and Mr. and Mrs. Harold MacNeven left Wednesday afternoon to spend a few days bird-hunting and fishing at the Little Indian Hunt-club in the Upper Peninsula, near Manistota.

A son was born to Pvt. and Mrs. Roy Kannisto at Mercy Hospital Wednesday morning. He weighed 8 pounds, 1 1/2 ounces. Mrs. Kannisto is a daughter of Mr. and Mrs. Jonas Wirtanen. The father is a cadet in the air corps at Amarillo, Texas.

Mr. and Mrs. Sigwald Hanson left Friday for Washington, D. C., to visit their daughter Marion. Miss Hanson is assistant staff director with the American Red Cross. She is a recreation worker at a military hospital but expects soon to be called overseas.

Mr. and Mrs. A. L. Foster and sons Kenneth and Robert were guests of friends in Bay City over the weekend.

Mr. and Mrs. Charles Sullivan were in Onaway a few days visiting the latter's parents, Mr. and Mrs. Frank Trudeau.

Mr. and Mrs. Angus McPhee and son Edgar are returning from Milwaukee and Watford, Wis., Saturday.

Miss Helen Reagan was the guest of friends in Big Rapids last Sunday.

Lee McCabe of Bay City who was employed in the local duPont office has resumed his studies at the U. of M.

Mr. and Mrs. Marcus Schaaf are receiving the felicitations of their friends on the birth of twins, a boy and girl, to them at Mercy Hospital Sunday, October 3.

Henry P. Baumgras of the Quartermasters Department of Lansing, who with Mrs. Baumgras has been at the Hanson Military reservation for the summer, returned Saturday to their home.

Mrs. Orson Corwin was genuine-

ly surprised Sunday afternoon when her relatives numbering 30 walked in on her to help her celebrate her birthday anniversary.

George Annis of Beaver Creek township was the first farmer in this county to purchase a Fordson tractor. Mr. Annis is one of our most progressive and enterprising farmers.

Thomas Cassidy has taken over the management of Shoppenagons Inn, succeeding W. E. Herron. The new manager has been a successful business man in this community for nearly 10 years. He built the Model Bakery up to a fine business and since selling it a couple of years ago, he had been doing commercial traveling.

Last Thursday 25 ladies, friends of Mrs. Anna Harrington, gave her a surprise by going to her home to spend the afternoon and remaining for supper and evening. The ladies of the W. B. A. entertained with a gathering at the home of Mrs. J. W. Letzkus Saturday in honor of Mrs. Rose Balhoff, formerly lady commander of that organization.

According to an order received from assistant Postmaster General the local office closes at 6 p. m. daily instead of 7 p. m. as heretofore.

Surprisingly New! Superbly Cadillac!

ELDORADO...world's finest personal car

SEDAN deVILLE...another dramatic Cadillac surprise

INTRODUCING THE 1967 STANDARD OF THE WORLD

You are looking at two of the newest luxury cars ever created. They are typical of Cadillac for 1967, The Fleetwood-Eldorado—the world's finest personal car—is the first exciting case in point. Eldorado is a styling masterpiece . . . with its spectacularly long hood, its daring new roof lines and its dramatic rear quarter design. It is also an engineering triumph. For Eldorado is the first car in the world to combine the sure-footed traction of front wheel drive with the maneuverability of variable ratio power steering

and the balance of automatic level control. And with all its spirit and action, Eldorado provides unusual five-passenger spaciousness and the quietness and comfort that only Cadillac could create. This brilliant newness also marks the Cadillacs you are most familiar with. For they are the most beautiful Cadillacs of all time . . . with a new forward-sweeping grille and a new side contour that flows from front to rear! And with this new Cadillac look come a number of other achievements . . . the most luxurious

interiors in history . . . a new generously padded instrument panel . . . a more responsive Cadillac engine . . . improved variable ratio power steering . . . and a new General Motors-developed energy absorbing steering column. Discover Cadillac for 1967 for yourself . . . at your authorized dealer's. Once you have personally seen and driven these exceptional new automobiles, you'll agree that never before has anything on the highway said new so beautifully . . . or Cadillac so well!

School Board Minutes

The first regular meeting of the newly elected Board of Trustees of the Crawford-Ausable School District, Crawford, Osage and Kalamazoo Counties, Michigan, was called to order in the teacher's lounge at the high school, August 8, 1966 at 8 p. m. by Dr. B. E. Henig, interim board president as acting chairman.

Present were Gerald Burns, Dr. B. E. Henig, Robert Smock, Patricia Harwood, James Kolka, Patricia Fowler and Superintendent Joseph Stripe. Dr. Paul Dosch, absent.

The first order of business was the election of officers. The following were duly nominated and elected: President, Dr. B. E. Henig; Secretary, Patricia A. Fowler; Treasurer, Gerald Burns.

Minutes of the July 5, 1966 regular meeting and the July 18, 1966 special meetings of the interim board of trustees were read, discussed and approved. A special case application for high school attendance was presented to the board by Superintendent Stripe. After discussion the application was accepted. An application to rent the South Side School was rejected due to expense involved to put the building into serviceable condition.

A motion was made to put the Feldhauser School up for bids in order to get it back on the tax roll.

After discussing the uses of the buses and requests for use of the buses by the community, the following policy was adopted:

School buses will be restricted to use by students enrolled in the Crawford-Ausable School District only, for student participation programs or school sponsored programs with sponsors in ratio of one to ten students at the discretion of the superintendent.

The board decided to send letters of appreciation to past members Mrs. Eva Strong and Harold Riggs for their service and assistance in organizing the new district.

The Master Contract (Proposed Education Association Agreement) was accepted after it was explained to the new members.

All bills presented except two that were not accepted by the former Frederick School Board were approved for payment.

The meeting was adjourned at 9:45. For details of the action of your board of education please feel free to call any board member or the Secretary, Patricia Fowler.

Attend The Church Of Your Choice

Secure in LOVE

Kathy is secure in her mother's love. Trust and peace gleam in her eyes. Happiness and hope shine in her face. But Kathy has her heartaches. She falls and skins her knee. Or she loses her favorite dolly. And then her eyes are flooded with tears. Mommy is always there to help. The knee is bandaged and kissed. The dolly is found. As Mommy's arms slip around Kathy, the tears are dried.

Kathy is secure in her mother's love.

When Kathy grows older her mother will not be able to love away the adult heartaches. But Kathy can turn to God. Her mother's love is but an echo of the Heavenly Father's love for His children.

In faith and prayer, Kathy can find His all-sufficient help and feel beneath her His Everlasting Arms.

The Church guides you to God. You can discover your destiny as His child. You can be secure in divine love.

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Michigan Joins Other States In Highway Billboard Control Law

FEWER SIGNBOARDS

Michigan joined several other states this year in enacting legislation to help preserve natural beauty along the roadways.

A highway billboard bill passed by the legislature was the result of agreement between the advertising industry and the highway department, the latter largely representing the viewpoint of the nature lovers. It actually had support of the larger billboard companies.

Under the new law, not fully effective until 1968, many of the scattered signs now in place will come down.

Billboards of specified size will be allowed only in business areas, unless the signs give directions, mark historic spots, or advertise a business or activity on the property.

Motorists will no longer see a

be or supermarket billboard five miles from town unless the store stands next to the road.

Provisions of the bill allow for a sizeable number of signs within the designated business areas, however.

Legislators debated various forms of billboard regulations during the past six years.

It was not until this year that the highway department and outdoor advertising industry got together on legislation, now required to comply with the federal highway beautification act.

Doubts have been expressed whether Michigan's new law will meet federal standards, some of which are yet to be spelled out. Failure carries the threat of the withholding of federal funds.

Highway and advertising spokesmen are adopting a wait-and-see attitude.

CRIME ACTION

Disclosure by two public officials of recent threats on their lives focused attention on one of the newest units of state government: the State Commission on Crime, Delinquency and Criminal Administration.

The commission, like several before it, was appointed to do a specific job, but likely will be in existence for a considerable time because of the breadth of its assignment.

Reports from Attorney General Frank J. Kelley and Wayne County Judge and Grand Juror Edward Piggins that their lives were threatened because of their anti-crime activities will certainly become part of the commission's concern.

Official assignment of the Governor was to seek additional ways of preventing crime, and improving law enforcement, administration of justice and rehabilitation of offenders.

Nearly a year ago, many months before the commission was formed, State Police Intelligence Chief Lt. Raymond H. McConnell described organized crime as possibly a greater threat to American society than communism.

A big part of this threat, he said, is the large amount of money available nationally (and presumably in Michigan) for corrupt purposes with judges, police, courts and other public officials.

Kelley's and Piggins' disclosures brought out McConnell's point distinctly. Apparently the threatening parties decided money would not deter these two men from their public responsibilities.

National statistics on crime and delinquency rise annually. Michigan is no exception.

The 47-man commission hopes to have some recommendations ready by the end of this year. Despite its seemingly unwieldy size, the commission's makeup tends to encourage the idea that some progress might be forthcoming.

NEED YOUTH

Part of the emphasis during the 1967 Michigan Week observance will be on youth.

Robert Miller, chairman of the Greater Michigan Foundation's Council on youth programs, convinced the entire sponsoring organization of the annual brag week that there is considerable need for this emphasis.

He has called for a young people's conference in even Michigan community on Youth Day, the final day of Michigan Week.

"We have been losing some of our best youth talent to other states," says Miller. "Every effort must be made to see that they find the opportunities they seek right here in Michigan. We must get close to them and through their own expressions find out just what they seek in Michigan."

The past two years, the Youth Day program throughout the state has been focused on the school dropout problem.

In 1967, Miller's plan for youth forums at the community level could bring to light any number of problems involving teenagers who are considered average or above, rather than those at the dropout level.

Miller envisions the 1967 community forums as possibly leading to a statewide conference in 1968, similar to a state meeting held in Flint last year on the dropout situation.

Bits O' Talk

The Buncle Club met Thursday at Mrs. Matt Edson's. First and penny prize were won by Mrs. Byron Randolph, second high by Mrs. Henry Stephan and low by the hosts. The next meeting is October 13th at Mrs. Kip Papendick's.

Don't miss the Grayling Jaycees "Autumn Swirl" Dance on Saturday, October 8th from 8:30 to 12 p.m. Elementary School. Dances per your request. \$1.50 per couple.

Mrs. Herbert Stephan returned home Saturday a week ago after spending two weeks visiting her sister and family the Lewis Kromes in Lincoln Park. They brought her home and spent that weekend here, working on their house at the corner of Date and Fulton.

Mrs. William Schramm is a new employee at the Grayling State Bank.

Mrs. Jim Case and family have moved to Williamston, and she is attending a beauty school in Lansing.

Mrs. Arthur Carlson and Cindy were in Traverse City Monday and Tuesday on business.

For washer, dryer and refrigeration service call C & E Service, 348-6411.

Mr. and Mrs. Howard Morse will entertain with an open house at the St. Helen Legion Hall on Friday, October 7th from two to five o'clock in celebration of the fiftieth wedding anniversary of her parents, Mr. and Mrs. P. S. Chase of St. Helen.

SAIGON, Vietnam — Staff Sergeant Richard A. Moore, son of Mr. and Mrs. Alvin H. Moore of 705 Plum St., Grayling, Mich., is now on duty with U. S. combat air forces in Southeast Asia.

Sergeant Moore, an F-4C aircraft maintenance crew chief, is a graduate of Grayling Public High School.

Moose Lodge Activities

The degree team went to West Branch Sunday to enroll new members into the lodge there.

This Friday is regular meeting at the lodge, starting at 8:00 p.m.

Sunday, the State Board of Officers of the Mich. Moose Assoc. will hold a meeting at the lodge.

The lodge is still accepting labels from Vets dog and cat food. They are used to send blind people to a school for the blind, and train them with a Seeing eye dog. This is a part of the Moose Civil Affairs program.
